3. RULES OF COMPETITION

The competition will be governed by the National Championship Rules (as modified by the council of the Bahamas Swimming Federation based on the recommendations of the Technical committee - January 2019) and in accordance with FINA Rules 2015-2019 FINA Rule SW 4.4 shall be applied.

In the preliminary heats of swimming, the start will be “over the top” in the freestyle, breaststroke and butterfly events.

Any preliminary event with eight (8) or less entries shall automatically become a final to be swum in the afternoon/evening session.

B Finals for events that have more than 2 non Bahamas Aquatics registered swimmers in finals. The finals will be seeded by using the fastest times and medals/points will be awarded based on final placements of Bahamas Aquatics registered swimmers. In the case more than 2 Foreign Swimmers are seeded with top times, the Federation will hold an A and B Final, but medals and points will be awarded to the top 8 Bahamas Aquatics Registered swimmers only.

Subject to equipment functioning, all heat events will be swum as 10 lane events, and all finals as 8 lane events, unless foreign swimmers have advanced to the finals. In this case, the finals may also be 10 lane events or A and B finals as documented above.

4. AGE-GROUPS

Pursuant to NCR3.1, the recognized age-groups for Girls and Boys entered in the competition are:

- 8 and Under
- 9 - 10
- 11 - 12
- 13 - 14
- 15 and Over

Competitors shall swim only in their respective age groups, unless in the case of the distance events which may be combined for meet efficiency. Their competitive age group shall be determined by their respective ages as of midnight on **31st December** of the preceding year.

5. CLUB ELIGIBILITY

All member clubs and participating swimmers must be in good financial standing with Bahamas Aquatics and registered for **2019** prior to the published Registration Deadline. **Any club and/or their members, and/or individuals with outstanding balances to the Bahamas Aquatics will not be eligible to participate in the Championships.**

6. EVENT ELIGIBILITY

Individual Events:

All entry times shall have been achieved in a sanctioned meet within a year since the last National Championships, and can include times achieved in the previous National Championships, regardless of the one year period.

Proof of entry times must be submitted to the Bahamas Aquatics along with the entry where the entry times are achieved in a sanctioned swim meet outside of The Bahamas.

There is a limit on individual scoring events of 7 events; and all seven (7) best times will be counted for calculation of Age group Awards. All points will be counted for team points. Notwithstanding swimmers may swim more than 7 events for official time purposes only, and any event over the 7 declared events will not count for medals, points, or any other award. **In the event of non-declaration of the 7 events that will count for points/awards in the original entry submitted to Bahamas Aquatics will automatically count the first 7 events as the points/awards eligible events, regardless of any petitions made to the contrary after the entry deadline.**

Any Bahamas Aquatics registered coach who signs a National Championships Meet Entry Form or submits entries electronically thereby certifies (i) that all entry times stated therein are correct and true; and, (ii) that all competitors named therein are eligible to participate in a National Championship. The coach assumes responsibility for all false or incorrect times and all competitors entered by her/him, and may be subject to a fine and/or sanction.

All requests for Time Trials must be made to Bahamas Aquatics in writing 30 minutes before the start of each session, and will not be accepted unless the Time Trial Fee (\$10 per Time Trial) is paid at the time of submission of the request

Relay Events:

It remains a National Championships rule that swimmers who do not have qualifying times can participate in Relay Only Events. However, these swimmers had to have competed and have times for at least 1 Bahamas Aquatics sanctioned or approved meet during the current swim year of participation.

As an example, if a swimmer participated in a meet sanctioned by USA Swimming or Barbados Swimming or Bahamas Aquatics during the 2018-2019 swim year, and did not meet the National Swimming Championships Qualifying times, that swimmer can compete as a RELAY ONLY swimmer for Nationals. If the swimmer did not compete in any Bahamas Aquatics sanctioned or approved meet for the 2018-2019 swim year, the swimmer is ineligible to participate as a RELAY ONLY swimmer in the 2019 National Swimming Championships
